INTRA-AGENCY MEMORANDUM
KENTUCKY PUBLIC SERVICE COMMISSION

TO: Case File

FROM: Quang D. Nguyen, Staff Attorney 

DATE: November 10, 2016

RE: Case No. 2016-00152
Application of Duke Energy Kentucky, Inc., for (1) a Certificate of Public Convenience and Necessity Authorizing the Construction of an Advanced Metering Infrastructure; (2) Request for Accounting Treatment; and (3) All Other Necessary Waivers, Approvals, and Relief

Pursuant to an Order issued on November 15, 2016, an informal conference was held on November 9, 2016, at the Commission's offices in Frankfort, Kentucky. At the request of Duke Energy Kentucky, Inc. ("Duke Kentucky"), and the Office of the Attorney General, by and through his Office of Rate Intervention ("AG"), the informal conference was scheduled to allow the parties to discuss the status of the case and engage in negotiations to settle and resolve any issues related to Duke Kentucky's application. A list of the attendees is attached hereto.

The AG and Duke Kentucky informed that they had met last week to engage in preliminary discussions regarding the simplifying of issues in this matter and wanted to continue those discussions with Commission Staff in an effort to reach a settlement of this matter. The parties addressed a number of issues but were unable to reach a definitive agreement on any of those issues.

Commission Staff requested that Duke Kentucky provide support for the amounts included in Exhibit DLS-4, pages 8-13, of its application, or direct Commission Staff to the location of the information in the record.

There being no further discussions, the informal conference was adjourned.
